APPLIANCES | COOKERS | COOKWARE

COLLECTION 2025-26

For over four decades, **Cello** has stood as a household name in India, symbolising trust, quality, and everyday innovation. What began as a vision to simplify daily life has today grown into a wide portfolio that powers millions of kitchens and homes. From appliances to cookware, every product carries forward our promise of making living easier, healthier, and more enjoyable.

Our **Kitchen & Home Appliances** are designed with modern families in mind — air fryers that make healthy cooking effortless, mixers and grinders that save time, and OTGs, kettles, and induction cooktops that bring convenience into every meal.

The **Cookers & Cookware** range blends tradition with technology, offering extensive range of tri-ply, cast iron, non-stick, and hard anodised that suit every cooking style.

Upgrade your culinary experience with our curated selection of premium Kitchen Appliances & Cookware – designed for your smart Kitchen.
