## About Cello

In 1967 mister G. D. Rathod (chairman cello group) made a humble beginning with A tiny factory for making PVC footwear and bangles.

In 1982 cello launch plastic house ware products and in 1986 set up a state-of-the-art factory for Thermoware products. And today it's one of the largest selling house where brands in India with the widest range of products which includes water bottle, tiffin's, lunch carrier, insulated water jug, flasks, hot pots, PET, PP, PC bottle, flasks, storage containers, bathroom sets, laundry basket, dustbins beans and many more. It has over 1700 unique house ware products.

In the year 1994 the company ventured into manufacturing elegant, versatile and durable plastic moulded furniture, made from special grade plastic and state-of-the-art molds from Italy. Today it's one of the leading brand in modular furniture in India.

In 1995, Cello started the Cello writing Division. From the first batch of pens, Cello offered consumers the latest technology like Swiss Tips and German ink in its clear pens. Cello developed LPHV (low pressure high volume) technology in-house for superior writing. It had the largest range of high-performance ink and gel ball point pens in India and manufactured over 5 million pens every day to become India's largest manufacturer of fine quality pens with 37% market share (AC Nielsen), it was also Asia's largest manufacturer of quality pains and sold it to the world's largest manufacturer of ball point pens BIC for over 350 million US\$ in 2015.

We have re-entered the writing instruments segment with "Unomax" brand. Today we have one of the largest manufacturing plants in India spread over 1,50,000 sq. feet and plan to add 1,20,000 sq. feet manufacturing facility in 2022. The plant is equipped with world-class state-of-the-art technology. It comprises of a 60 moulding machines, in house tool maintenance facility and 10 auto assembly machines. All the key manufacturing process: foiling, refilling, printing and stamping are automated for fast and utmost precision manufacturing.

At each stage, we have the highest quality control standards in terms of process & manufacturing norms. We have one of the most qualified team with years of technical and professional expertise to deliver high quality products.

Turning to innovation in the field of Extrusion Technology, Cello set Cello setup processing of bubble Guard Sheet in 2005-06 with the most sophisticated technology and manufacturing from Italy to manufacture range of products for interior, advertising, packaging and construction applications.

In 2013 Cello launched Kitchen Appliances and Glassware range.

In 2015 Cello launched 100% food grade and dishwasher safe melamine ware.

In 2015 Cello also launched its Tools & Dies Companies to service the automobile company. It's existing clients are Mahindra, Volkswagen, Tata and Bajaj to name few. It has JV with one of the world's leading mold manufacturing companies 'Moldetipo' from Portugal and its clients are purchase, Rolls Royce, Audi, Mercedes Benz and BMW.

In 2016 Cello launched Air Coolers range. In its first year it launch complete range of deserts, window and personal Coolers. It leveraged its background in highly quality plastic to the brain study yet light weight air cooler with engineering quality polymer body, 'Turbo Cool' power cooling, remote controlled digital operations, humidity control and international design aesthetics.

In 2017 Cello launched Opal were and has the largest manufacturing plant in India, it's manufactured with tough German technology as for European quality standard and it's the only machine in India to manufacture different products combinations using spinning & pressing.

It's toughened glass, chip proof, stackable, dishwasher safe, food grade, 100% hygienic, easy to clean, scratch resistant, microwave safe, 100% vegetarian and with better thermal resistance.

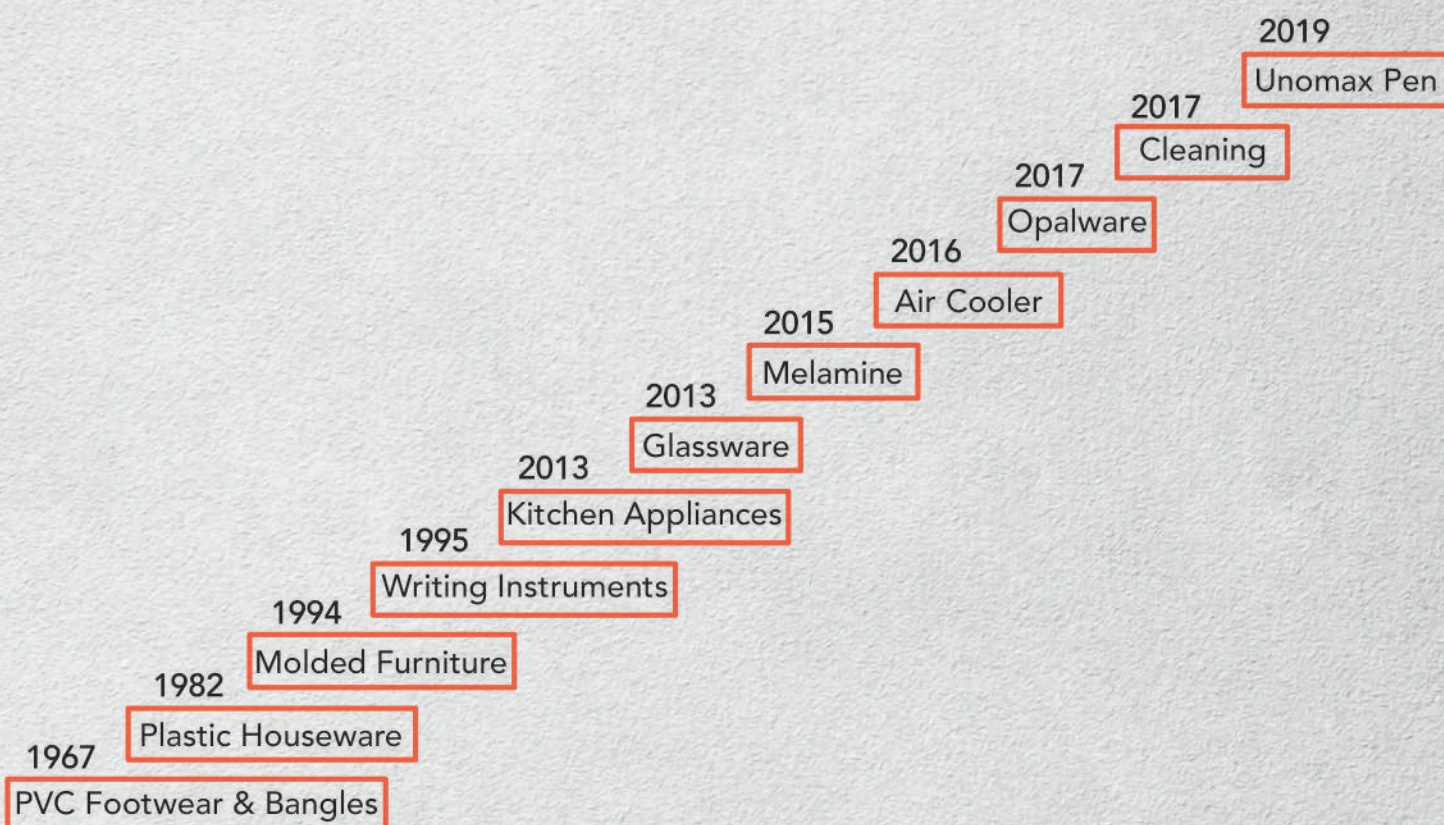

In 2017 Cello launched range of cleaning products called 'Kleeno'; which includes floor, sink, ceiling brushes, kitchen wipers, mop buckets, brooms, dust, pans & scrubs.

Cello has 18 factories across India, 2.6 million sq ft. of manufacturing area, largest number of sophisticated moulding machines and has one of the largest distribution network with over 40,000 dealers across the country.

The brand "Cello" is one of the most recognised consumer brands in India as per Super Brands India and has been awarded Readers Digest Trusted Brand Asia 6 year in succession.

it has well-established overseas network in over 65 countries and has been awarded the prestigious PLEXCONCIL AWARD for NO.1 outstanding performance, 15 times in a row.
