HYDRATION

With Cello as your hydration companion, every moment feels lighter, fresher and effortlessly energised. Designed around varied lifestyles, the range adapts seamlessly from school mornings and office hours to travel, sports and home routines.

A wide portfolio across insulated bottles, stainless steel and everyday carry options ensures the right choice for every age group and occasion - **Puro insulated** bottles with hygienic steel interiors, the economical all-plastic Puro series for daily family use, and **Exe Steel** bottles offering hygienic stainless-steel hydration in vibrant colours at accessible value.

Puro's lightweight build and stunning colours make it easy to carry across school and workdays, while the **H2O** wide-mouth design adds comfort for filling, cleaning and detox infusions. Together with reliable temperature retention and thoughtful ergonomics, the collection delivers convenience, durability and style in a complete hydration ecosystem for modern living.
