MELMOWARE

The Joy Of Serving

Why Melmoware is good for you?

When you set out to buy your tableware, you search for elegance, usefulness and durability. The one thing you may miss out on is safety. Ordinary tableware is known to contain toxic chemicals that can seep into your food potentially put you and your family at risk. To ensure safety, Cello introduces its Melamine range of Tableware made from an organic compound called Melamine that is guaranteed 100% Food Grade, BPA Free, shatter proof, dish washer safe and heat resistant for up to 140°C. Even the ink used for printing the melamine designs are made from 100% Food Grade Ink. It is this quality assurance that makes Cello one of the most trusted brands. Eat well, live well, and stay well with Cello Melamine.
