MELMOWARE

The Joy Of Serving.....

Why is Cello Melmoware good for you?

When you set out to buy tableware, you search for elegance, usefulness and durability. The one thing you may miss out on is safety. Ordinary tableware is known to contain toxic chemicals that can seep into your food potentially putting you and your family at risk. To ensure safety, Cello introduces its Melamine range of Tableware made from an organic compound called Melamine that is guaranteed 100% Food Grade and also shatter proof, dishwasher safe and heat resistant for up to 140° C. Even the ink used for printing the Melamine design are made from 100% Food Grade material. It is this quality assurance that makes Cello one of the most trusted brands. A trust that is assured every time you serve food on the table. With Cello Melmoware, Staying Healthy is Staying Happy!

Cello Industries melamine Profile : This is to certify that 100% food grade raw material is used in production of Cello Melmoware products.

Vision : To offer all customers worldwide the best of Melamine and HORECA range of products in terms of quality, international aesthetic and safety.

Mission : To be one of the world's leading producers and providers of Melamine products by differentiating its products and services.

Marketing & Sales Team : We have a strong presence in Domestic Market and our products are supplied to many clients of HORECA Hotel Restaurant & Caterer through our All India Strong Distribution Network .

Brand Acceptance : Cello is one of the leading and trusted Brand amongst the country. Every product range is an excellent blend of elegant design and superior technology making each of them one-of-its kind.

ISO certified 9001:2008

All our products are made of 100% Melamine & safe
