

THERMOWARE

CATALOGUE 2025

Giving motherly warmth to your food.

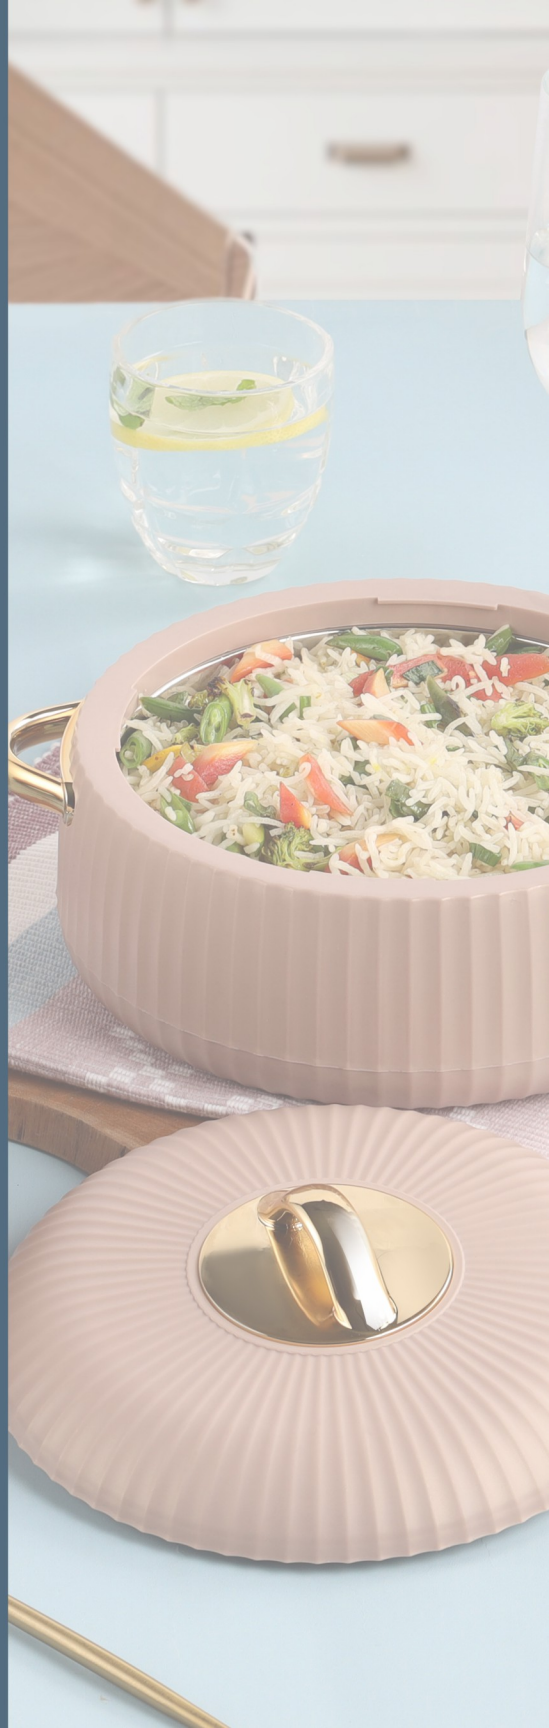

For over two decades Cello has been continuously evolving, anticipating consumer's needs to develop range of hygienic products to help preserve health of your loved ones.

Cello has an unmatched range of insulated thermo ware products, with world class designs made from German polyurethane foam manufactured at their ultra modern plants in Daman and Haridwar. Its range includes Water Jugs, Water Bottles, Lunch Carriers, Casseroles, Jugs, Flasks and more.

After intensive research Cello has developed the unique breakthrough product 'Thermi-guard'. Thermi-guard is an innovative polyurethane protective shield, which gives Cello's Thermoware range superior performance year after year.

No wonder millions of families in India and around the world have put their trust in Cello. After all wherever there's love, wherever there's joy there's Cello, your companion for life.
