ABOUT CELLO GROUP

"Cello", a name that is common in the Indian households, is one of the leading processors of household consumer products ranging from insulated ware, Vacuum-ware, Melamine-ware, Household Cleaning Products, Air Coolers, Kitchen Appliances, Household & Garden furniture and now with its latest foray Opal-ware. Cello has been serving its customers for more than three decades.

Cello has spearheaded the modernisation of Indian household industry with much advancement in technology. The World acknowledges today its outstanding quality, which always seeks perfection.

ABOUT CELLO MELMOWARE

Cello Melmoware is one of the newest ventures producing 100% Organic (Urea free), food grade, premium quality melamine products. The company has a state-of-the-art manufacturing facility in Haridwar (North of India) with:

- An installed capacity of 50 vertical Melamine molding machines from Taiwan
- Producing 30,000 units per day
- An in-house design unit, manufacturing unit, quality testing unit, packaging unit and large warehouse unit
- Employing 300 plus employees

The Company's products are known for their trendy designs, stain resistance, easy cleaning, temperature resistance (up to 140 degree Celsius), high impact resistance and low maintenance. They are BPA free and dishwasher safe. Every piece is thoroughly examined at various stages of its manufacturing process by our quality experts to ascertain a flawless dispatch to our customers.

ABOUT CELLO OPALWARE

Cello Opal-ware has beguiling designs delicately poised between fantasy and fiction. Tableware that is infused with beauty and strength, charming dishes, gaily patterned in colourful new designs serve every purpose.

Cello Opal-ware is produced in the most advanced state-of-the-art manufacturing facility using German Technology, with an installed processing capacity of 50 Tons per day. The production unit is spread across 12 acres in Daman, India. Our aim is to serve customers with the best range of products in terms of quality & international aesthetics. With constant innovation and cutting edge technology, we make sure superior quality products with European Standards reach your household.
